

Entrepreneurship development

Entrepreneurship development

To revitalize the economic framework is to also encourage the creation of businesses, to create better jobs, to generate more income and to redistribute local wealth. The program helping small businesses aims to improve skills in business management through the enhancement of skills and resources to encourage the use of good business practices.

- Entrepreneurship support.
- Coaching and monitoring for sustainable project success.
- Promotion of innovation.
- Revitalization of the social fabric.

Main partners :

ENACTUS MOROCCO, INJAZ AL MAGHRIB, START-UP MOROCCO
